Peer Ministry is a leadership program for high school students interested in serving, leading, and supporting their peers as they develop a deeper experience of Jesus Christ and the Catholic Church. Peer Ministers have a commitment to Jesus Christ and His teachings, and to the Catholic Church. In addition, Peer Ministers must be open to growing in their faith, have a desire and openness to share that faith with others, be spiritually and emotionally healthy, and be committed to a lifestyle that is pleasing to Christ.

What can you expect to gain from being a Peer Minister? Hard work, lots of fun, the support of a Christian community, a sense of fulfillment and accomplishment, spiritual challenge, the joy of effecting others in a positive way, and personal growth.
