

Help is needed to set up for the festival:

Sunday, August 18th following the 9am Mass Indoor set up which involves setting up tables, racks and chairs in rooms around the church building. We hope this can be completed in under 4 hours (the more help, the more likely that can happen) **Pizza will be served after set up.**

Friday, August 23rd, 6pm-9pm We will be setting up the beer tent, band tent and seating areas outside and grilling for supper!

Saturday, August 24th 9am-5pm: There will be spots on the sign up genius for people to greet people outside on Saturday morning to collect donations and bring them into the church to make it easier on people dropping things off.

Saturday, August 24th following the 5pm Mass We will be setting out garbage/recycling cans, tables and chairs outside.

Sunday August 25th from 6:30am-8:30am Help is needed to get pop and beer in coolers, signs put up at the kids games and ice cream in freezers outdoors.
