FACILITY USE GUIDELINES AGREEMENT

NON-PARISH SPONSORED EVENTS

Sacred Heart Parish facilities are available to individuals and groups in the community that seek to serve and enrich human life within the parish's not-for-profit Catholic mission. The parish facilities are not available for any non-related business activity or activities consistent with our mission and values.

The following guidelines apply to all when using the facilities.

- 1. Publicity:** Do not use the parish name as the sponsoring organization in any advertising or promotional literature for your event. Do not publish the parish phone numbers as the number to call for further information about your event.
- 2. Reserving the Facilities:** Requests to use the facilities may be **scheduled two (2) months in advance**. This allows adequate time for parish functions to be booked. Space can be tentatively held before two months, but reservations can't be confirmed until two months prior to the event. Requests may be e-mailed to Vicki at VSanborn@sacredheartsaukrapids.org or by calling the office at 320.251.8115. All paperwork will need to be completed one (1) month in advance in order to obtain special event insurance for individuals and a Certificate of Liability Insurance from organizations, municipalities or county organizations.
Space is unavailable on the following days: Holy Week and Easter Sunday, First Communion, Confirmation, Memorial Day weekend, 4th of July week, the week before the Parish Festival, Labor Day weekend, Thanksgiving Day and weekend following, Christmas Eve and Christmas Day, or New Year's Eve, New Year's Day. (See #15 for more)
- 3. Facilities Cost:** Although we do not have a set fee for active parishioners to use the space, a freewill offering is strongly encouraged. When the facility is in use the parish provides heat/AC, water, utilities, and resources. These fees help offset these parish costs. Please consider looking at the room rates prior when deciding your free will offering.

****Parishioner use:** We recognize we have a beautiful space and want that space available to parishioners. Each family will be allowed to use the space one time (in a calendar year) with a free-will offering. Each additional time the space is used the following rates will apply.

| | |
|--|---|
| Parish Hall and kitchen (approx. 240 people) \$100 an hour | Room D (approx. 35-45 people): \$45 an hour |
| Room C (approx. 20-25 people): \$30 an hour | Room B (approx. 30-45 people): \$45 an hour |
| Gathering Space: \$45 an hour | Worship Space (approx. 824) |
| Hospitality Suite (approx. 12-15 people): \$30 an hour | Entire Facility: \$250 an hour |

****Minimum of two-hour rental****

****We reserve the right to relocate groups in our space if something unexpected occurs for the use of our facilities****

- 4. Movement of furniture:** If furniture is moved, each area needs to be returned to its original set up. We suggest taking photos of the room(s) prior to moving anything, as a reminder of how it looked prior to your arrival. A portion of your damage deposit may be forfeited if this is not completed. Staff are not responsible for moving furniture before or after an event. An hourly rate of \$20 an hour will be charged to the person using the space if staff needs to return any room back to its original format.
- 5. Payment:** See Facility Use Fees for required payments. All payments must be received two weeks prior to the event.
- If the AV system in the Worship Space is used there is a \$25/hour fee for each experienced person from the parish to run the system. (Two required when livestreaming)
- 6. Damage Deposit:** A damage deposit of \$300 is required. The damage deposit is refundable if the facility is returned to its original condition. (Garbage taken to the garbage shed, tables cleaned, floors vacuumed and furniture in original location.) An hourly rate of \$20 an hour will be charged to the person using the space if staff needs to take out garbage, wash tables or vacuum.
- 7. Restoration of Premises:** Users are to assume full responsibility for the cost of repairs required to restore items to their original condition. Decorations or other materials may not be placed on walls, windows or woodwork and all other decorations are to be removed at the conclusion of the event.
- 8. Care of Facilities:** Candles are to be used with **advance permission** and only in fireproof containers. Any decorations used near candles must be fireproof. Bird seed, rice and spray confetti are not allowed. **There is no food or drink allowed in the worship space.** Animals are not permitted in the facilities, with the exception of service animals. Children under the age of 16 must be accompanied by an adult.
- 9. Use of Kitchen:** Food served requires a certified food manager or a volunteer trained in food safety to be present. Users are to bring their own supplies (including coffee, tea, sugar, cream, napkins.) If you would like to use parish plates and silverware you will need to set up an appointment to see how the dishwasher works at least one week prior to your event. Please remove any extra supplies after your event. Any garbage should be put in the containers located in the garbage shed by Lake Geno. If you choose to use disposable dishes, please note Styrofoam and like materials are not permitted for environmental purposes.
- 10. Alcoholic Beverages:** No alcoholic beverages shall be served or available on the premises of the parish facilities, including parking lots and the grounds unless permission is granted in writing by the pastor and an insurance waiver is obtained. If you would like to have alcohol, you will need to email Father (and copy Vicki on the email) at least one month prior to the event when asking for permission to ensure all parties have been notified.

- 11. Smoking/Vaping Policy/Controlled Substances/cannabis:** Sacred Heart's entire campus is smoke/vape free.
- 12. Firearms:** Sacred Heart bans firearms from our property.
- 13. Use Agreement:** A signed copy of this document must be on file two weeks prior to the event. An email to Vicki stating you have agreed to the terms is acceptable.
- 14. Emergencies:** Immediately contact the attendant or proper authorities with any emergency situations. (If you do not have an attendant, Vicki will be your contact. Her number is 320.492.9361) ****An emergency is something defined as something that needs immediate attention to ensure the safety of people or the building.****
- 15. Funerals and Parish Functions:** Funerals and parish functions may affect scheduled events. If a funeral or parish function must be scheduled, every effort will be made to accommodate the scheduled user by relocating the space or an alternative date. **However, the parish activities will take precedence if accommodations cannot be arranged.** The contact person will be consulted.
- 16. Attendant:** An attendant is required at \$12 per hour. The attendant's job is to answer any questions people may have and make your time here comfortable. The attendant will provide supplies for clean-up. Following the event, the attendant will walk through the space and ensure that the facility has been returned to its original condition. The attendant is **not** responsible for moving furniture or clean up. The attendant will arrive 30 minutes before the arrival of guests and will stay 30 minutes after the expected end time.
